FIND YOUR OUTLET

Taking a break from screens and spending time outdoors can support well-being, reduce stress, and create opportunities to move, explore, and connect with others. Whether it's a walk in the park, a bike ride, or time spent playing outside, stepping away from devices gives our minds and bodies a chance to recharge.

Finding a healthy balance with technology is especially important for children. Research conducted by The Harris Poll in March 2025 surveyed 522 children ages 8–12 about technology, friendship, and play. The findings showed that 72% would rather spend most of their time with friends in person without screens, and 87% wished they could spend more time with friends in person outside of school. When asked to choose how they would prefer to spend time with friends, 45% chose unstructured, in-person activities—such as making up games, playing basketball, or exploring—over adult-organized activities or online socializing.

These findings are a reminder that unplugging is about more than putting devices away. It's about making room for the things screens can't replace: imagination, outdoor discovery, spontaneous play, and face-to-face connection. Families and communities can help by creating opportunities for people of all ages to spend time together away from screens.

The Global Day of Unplugging takes place March 5–6, 2027, inviting people to pause their digital routines and reconnect with nature, friends, and family. Whether you unplug for an hour, an afternoon, or the full day, the message is simple: put down your devices, step outside, connect with others, and find your outlet.

Summer Day Camps

All our summer camps are built around safety, fun, and new experiences that help campers learn, grow, and make lasting memories.

Little Folks, Creekside, Newbury Park, and C Adventure Camp all feature weekly Activity Specialists who bring exciting shows and hands-on experiences directly to camp. Past favorites have included reptile encounters, interactive drumming shows where campers get to join in, and fun science experiments that spark curiosity and plenty of smiles.

Need more? We've got it! Each week, campers at Little Folks, Creekside, Newbury Park, and Junior Adventure Camp can look forward to inflatable obstacle courses that bring big energy and even bigger fun.

And on Fridays, no matter what the camp, it's water day! Campers and staff cool off with water balloons, relays, water shooters, games, and plenty of splish-splashing fun!

Monday/Wednesday/Friday at Thousand Oaks Center; Tuesday/Thursday at Wildwood Neighborhood Park

Are you ready to write your name in history books and become part of Wildwood lore? For generations, campers have hiked through Wildwood Canyon, taking in the beauty, rugged trails, and adventure of the great outdoors. Twice a week, campers meet at Wildwood Neighborhood Park and hike two miles into the canyon, where they practice archery, play in the creek, and create one-of-a-kind nature art. On the other two days, campers meet at Thousand Oaks Center and cool off with water play at the park, a welcome break from the summer heat. If you're ready for a summer full of outdoor adventure, Wildwood Camp may be just the place for you! *Disclaimer* - You'll probably get covered in dirt at some point. . . but that's kind of the point.

REMINDER FOR PARENTS

Participants for classes that do not meet minimum enrollment (75% full) will be contacted with options to convert class into a semi-private instruction, private instruction, or move to another time slot.

For children less than age five who are just learning to swim, a minimum of two sessions of repeated lessons is recommended. Please alert the instructor before the first class if there are any special needs or other situations that may help us enhance your child's learning experience.

Classes are taught by American Red Cross certified and trained instructors. Due to high demand we do not offer make-ups unless noted or canceled by CRPD. Lessons are held rain or shine. If lessons are canceled due to inclement weather, all participants will be contacted.

In order to evaluate and seek to reasonably accommodate your individual needs, we ask that you let us know of any requested modifications at the time of your registration.

ADA GRIEVANCE PROCEDURE

CRPD has developed an internal grievance procedure for prompt and equitable resolution of complaints alleging any action prohibited by the United States Department of Justice regulations implementing Title II of the Americans with Disabilities Act (ADA).

Complaints should be addressed in writing to ADA Compliance Officer, Rochelle Callis, Conejo Recreation and Park District, 403 W. Hillcrest Drive, Thousand Oaks, CA 91360 or by email at ADAcompliance@crpd.org

- A complaint should contain the name and address of the person filing it, and briefly describe the alleged violation of the regulations.

- CRPD will conduct an investigation and notify the complainant of its findings within 30 days from receiving the written complaint.

Use of this grievance procedure is not a prerequisite to the pursuit of other remedies. CRPD strives to have all participants enjoy their experience in our programs and works to handle all concerns in a timely and fair manner.
