HIGHLIGHTS

CSVP Advisory Council

CSVP welcomed four new Advisory Council members for the 2026/27 year, bringing a wealth of professional experience, community connections, and enthusiasm to the Council. Advisory Council members play an important role in supporting CSVP through fundraising and resource development, volunteer recruitment and recognition, community awareness, and helping measure the program's accomplishments and impact. We are excited to have these four new members join our dedicated Council and look forward to the fresh perspectives and energy they will bring as we continue to strengthen and grow CSVP.

Senior Nutrition Lunch Program (SNP)

During this period, the SNP, administered by CSVP, served 5,670 meals to seniors aged 60+. Supported by 30 dedicated volunteers, the program operates Monday - Friday from 11:30am to 1:00pm at the Goebel Café.

CSVP One-Time Volunteer Opportunity - Reflections Art Program

CSVP helped support Ladera Stars Academy and Los Cerritos Middle School by recruiting and connecting more than eight CSVP volunteers to serve as judges for the 2026/27 PTA Reflections Art Program. Volunteers review student entries across multiple artistic categories, including visual arts, photography, literature, music, dance, and film, helping select entries to advance to district-level competition. This partnership provided a meaningful volunteer opportunity while supporting local students and encouraging creativity and artistic expression in our community.
