STUCCO	
Vertical Surfaces: Heavy texture, Integral Color	
Soffits: Sand float texture, Painted	
METAL	
Pipe Handrail: Painted	

NOTES:

- Color samples for all surfaces and for all materials shall be submitted to the Architect for selection and/or approval as indicated in the Specifications.
- Refer to Section 97, "Painting" of the Specifications to determine Paint System to be used for each respective Material System.
- Material legend numbers indicated within parentheses refer to material to be used in lieu of the material scheduled, if so contained in a respective, accepted bid item.
- The actual colors selected by the Architect and used on the Project, shall, upon completion of the project be scheduled, if so contained in a respective, accepted bid item, and be contained and submitted in the "As-built" drawings.
