**SUBJECT: Consideration of Resolution 050726-A for Landscaping Maintenance District (LMD) 92-1 (Rancho Conejo) Preliminarily Approving the Engineer’s Report for 2026-2027, Declaring Intention to Provide Annual Levy and Collection of Assessments, and Setting Time and Place for Public Hearing**

## RECOMMENDATION

Adopt Resolution 050726-A preliminarily approving the Engineer’s Report for 2026-2027, declaring intention to provide the annual levy and collection of assessments, and setting the time and place for the public hearing.

## DISCUSSION

Assessment District law requires the annual preparation of an Engineer’s Report for the purpose of identifying improvements and levying assessments for the maintenance of those improvements.

The park maintenance assessment is a partial assessment for overall maintenance and operating (M&O) costs and is based upon the differential between ad valorem property tax received and attributable to park maintenance and the actual maintenance costs. The LMD includes a capital improvement project fund.

The attached resolution provides for a noticed Public Hearing of this Board on June 4, 2026 at 6:00pm, to consider the ordering of the improvements and the levy of the proposed assessment.

The recommended assessment for LMD 92-1 (Rancho Conejo) provides for the maintenance and operation of Rancho Conejo Playfield. As per the table below, the proposed assessment is changing from \$120.33 per benefit unit to \$125.97 per benefit unit for FY 2026-2027. Based on the 2.93% change in CPI from February 2025 to February 2026, the maximum assessment rate within LMD 92-1 (Rancho Conejo) changes from \$126.36 per benefit unit to \$130.06 per benefit unit.

Fiscal Year	Assessment Rate	Maximum Assessment Rate*	CPI Adjustment to Max Assessment Rate	Total Benefit Units	Total Assessment	Maximum Assessment*	Developed Park Acres	Open Space Acres
2025-2026	\$120.33	\$126.36	3.11%	1,207.18	\$145,257	\$152,539	12.89	1,862
2026-2027	\$125.97	\$130.06	2.93%	1,207.18	\$152,072	\$157,006	12.89	1,862
