Therapeutic Recreation Unit

Dancing the night away

Our Grayson R. Wolpert Dinner and Dance on May 9th was a hit! With around 100 participants served, the night was filled with line dancing, taught by our very own staff Averie, karaoke singing, socializing, and overall FUN!

CRPD at The Olympics

On May 30th, our Conejo Champs Basketball team participated in the Greater Los Angeles Special Olympics Basketball tournament in South Gate, CA. The team of 18 athletes took home second-place and fourth-place medals. Go Conejo Champs!

Congrats to the Graduates!

The third cohort of the Thousand Oaks Police Service Unit graduated on June 3rd, celebrating the seven new graduates. The graduates spent the evening enjoying dinner with members of the TOPD, their families, and TR Unit Supervisor Devon. Congrats to all our graduates on another year of learning new skills, community service, and building lifelong relationships with peers and our community.

Conejo Community Center/Outdoor Unit

Camp Update

Camp started this week on June 15th. The first week of camp, we will be hosting 265 campers, and the second week of camp has 271 campers. There is still room left for week 2, and some spaces are available for camps throughout the summer.

Thousand Oaks Teen Center

New Faces, Same Places

At the beginning of May, the Thousand Oaks Teen Center welcomed its new Recreation Coordinator, Jason Villacorta. He comes to us from the City of Calabasas, where he specialized in growing teen programs and led youth sports leagues. He has already started sharing his passion for technology, sports, and youth engagement at the Teen Center, and we are excited to see the impact he has on the community.

Upcoming Events

Touch-A-Truck

Touch-A-Truck returns to the Thousand Oaks Community Center on June 20, with attendance expected to approach last year's 2,800 participants. Families will have the opportunity to explore a variety of construction, public works, and emergency vehicles.

Activities Galore!

The Therapeutic unit has a busy week full of activities ahead, starting on June 21, when they will be taking a group of about 20 participants, along with staff and volunteers, to Santa Barbara. The group will take a train ride up the coast to enjoy a full day of activities they have planned to include visiting the zoo and eating lunch while enjoying the ocean breeze in their hair. The fun continues Tuesday, June 23, when they hit the miniature links at Golf n' Stuff in Ventura. And they round out the week of fun on Thursday with a trip to the Moorpark College Teaching Zoo.

Sunrise to Sundown

On June 27, start your Saturday at Dos Vientos Community Center, where they will be hosting their annual Conejo Cruise event. Stop by and check out some cool cars or show off your own; it's a great way to get your weekend started.

That evening, finish your Saturday at McCrea Ranch for some popcorn and another awesome movie night featuring the movie *These Three* (1936).
