Re: Conejo Creek South Park Irrigation Project

Tabitha,

This letter is to formally notify you that, due to a clerical error, our bid for the above-referenced project was submitted inaccurately. As a result, and in accordance with the Public Contract Code, Valor Construction respectfully requests to withdraw its bid.

This error was discovered shortly after the bid opening. While we made every effort to determine whether the bid could remain viable, it is unfortunately not feasible for Valor to proceed under the submitted amount.

We sincerely apologize for any inconvenience this may cause and appreciate your understanding. Please let us know if any additional documentation or action is required from Valor Construction to complete this withdrawal.

Respectfully,
