## **Section A - BACKGROUND INFORMATION**

The Conejo Recreation and Park District (CRPD) was established in the Conejo Valley in 1963. Today, the District provides services to 130,000 residents in Thousand Oaks, Newbury Park, and the Ventura County portion of Westlake Village. An elected five-member Board of Directors is responsible for a comprehensive park and recreation service system which includes over 40 parks, 6 recreation centers, and more than 2,500 programs encompassing all ages and areas of interest.

In 1985, the City of Thousand Oaks and CRPD entered into a Joint Powers Agreement creating the Teen Center and Service Authority. Plans for both the Teen and Senior Adult Centers, as well as land leases operating agreements, were approved in an additional joint meeting with the City of Thousand Oaks and CRPD in 1988. The Teen Center opened in 1989 as the Thousand Oaks Teen Center. Then in 2001, the building was renamed Alex Fiore Thousand Oaks Teen Center. Alex Fiore was a city council-member for 30 years and mayor of Thousand Oaks 6 times. He was part of the city's incorporation process and helped create the general plan. The Teen Center is funded primarily by the City of Thousand Oaks.

The original Goebel Adult Community Center, named after Louis Goebel, opened in 1975 on part of the site used by the famous Goebel's Jungleland. The property was a generous donation to the City of Thousand Oaks by the Louis Goebel family. Prior to the opening, a Joint Powers Agreement between the City and the CRPD authorized the District to operate the Center. Today, the more spacious and modern Center located on Janss Road and renamed Goebel Adult Community Center, offers classes, special events, excursions, and drop-in programs for senior adults. It is a full service 17,195-square foot facility with meeting rooms, restrooms, kitchen, billiards room, and horseshoe pits.

Provide landscape architectural and architectural design services; schematic, design development, working construction drawings (permit and bidding document set) and cost estimate for the general scope of schematic plan.

Coordinate efforts with regulatory agencies, such as City of Thousand Oaks.

(Refer to notes and Scope of Location Map below, and following Concept Plan).

1. Renovate existing Teen Center to gain functionality and security of center. Services to include, restroom update/renovation, kitchen classroom/demonstration expansion, storage building and reorganization of existing with shelving, outdoor seating, gym ceiling, security camera system, outdoor speaker system, and lighting.

3. Upgrade Northwest Teen Center exterior space. Services to include, outdoor multi-use court and event area, shaded gathering area, alternative game area, outdoor classroom/activity area, and skate plaza

Section A - BACKGROUND INFORMATION

## Section A – GENERAL SCOPE OF WORK

### THOUSAND OAKS TEEN CENTER AND GOEBEL ADULT COMMUNITY CENTER MASTERPLAN PROJECT CONCEPT PLAN JANUARY 2019

## **Section B - INSTRUCTION TO PROPOSERS**

### **PROPOSAL REQUIREMENTS**

**Requirement to meet all provisions.** Each individual or firm submitting a proposal (PROPOSER) shall meet all of the terms and conditions specified in this Request for Proposal/Qualifications (RFP). By virtue of its proposal submittal, the PROPOSER acknowledges agreement with the acceptance of all provisions of the RFP specifications.

**Each proposal should contain the following:**

- A. Cover Letter
- B. Explanation of how PROPOSER views assignment.

Proposer must describe in detail how he will meet the requirements of this RFP and may provide additional related information with his proposal. The proposal should be presented in a format that corresponds to, and references, the sections outlined in the Specification or Scope of Work and should be presented in the same order. Responses to each section and subsection should be labeled to indicate which item is being addressed. Proposal should be straightforward and concise and provide "layman" explanations of technical terms that are used. Emphasis should be concentrated on conforming to the RFP instructions, responding to the RFP requirements, and providing a complete and clear description of the offer. If a complete response cannot be provided without referencing supporting documentation, you must provide such documentation with the proposal indicating where the supplemental information can be found.

Proposals must include all proposed terms and conditions, including, without limitation, written warranties, maintenance/service agreements, license agreements, and lease purchase agreements. The omission of these documents renders a proposal non-responsive. Proposals, which appear unrealistic in the terms of technical commitments, lack of technical competence, or are indicative of failure to comprehend the complexity and risk of this contract, may be rejected.

The District is not liable for any costs incurred by Proposers before entering into a formal contract. Costs of developing the proposals or any other such expenses incurred by the Proposer in responding to the RFP, are entirely the responsibility of the Proposer, and shall not be reimbursed in any manner by the Agency.

- C. Preliminary sketches and renderings of your ideas of the proposed improvements.
- D. Tentative schedule by phase and tasks to be completed.
- E. Estimated hours for PROPOSER staff in performing each phase of the work, including sub-consultants.

F. Services and data to be provided by Conejo Recreation & Park District.

G. Proposer Qualifications

Each Proposer shall be skilled and regularly engaged in the general class or type of work called for under the contract. The Proposer's experience shall be set forth and submitted. It is the intention of the Conejo Recreation & Park District to award a contract to the Proposer who furnishes satisfactory evidence that the Proposer has the requisite experience, ability, sufficient capital, facilities and plant to enable the Proposer to prosecute the work successfully and properly, and to complete it within the time specified in the contract. To determine the degree of responsibility to be credited to the Proposer, the Conejo Recreation & Park District will weigh the evidence that the Proposer has performed satisfactorily other contracts of like nature, magnitude and comparable difficulty and comparable rates of progress. In selecting the lowest responsive and responsible Proposer, consideration will be given not only to the financial standing but also to the general competency of the Proposer for the performance of the documents. To this end, each Proposal shall be supported by a statement of the Proposer's experience on a document entitled "proposer's Experience" and incorporated as part of the contract.

Firms wishing to be considered for this assignment must meet and/or provide the following criteria/information.

H. Proposer's Background

- a. Company ownership. If incorporated, the state in which the company is incorporated and the date of incorporation.
- b. Location of company offices.
- c. Location of the officer servicing any California accounts.
- d. Number of employees both locally and nationally.
- e. Locations from which employees will be assigned.
- f. Name, address, and telephone number of the Proposer's point of contact for a contract resulting from this RFP.
- g. Company background/history and why Proposer is qualified to provide the services described in this RFP.
- h. Length of Time Proposer has been providing services described in this RFP. Please provide a brief description.
- i. Resumes for key staff to be responsible for performance of any contract resulting from this RFP.
- j. Proposer's bank of record.

Proposer must include in his proposal a complete disclosure of any alleged significant prior or ongoing contract failures, any civil or criminal litigation or investigation pending which involves the Proposer or in which the Proposer has been judged guilty or liable. Failure to comply with the terms of this provision will disqualify any proposal. The Conejo Recreation & Park District reserves the right to reject any proposal based upon the Proposer's prior history with the Conejo Recreation & Park District or with any other party, which documents, without

limitation, unsatisfactory performance, adversarial or contentious demeanor, significant failures to meet contract milestones or other contractual failures.

I. Client References

PROPOSER is required to provide a relevant list of client references. A minimum of three references from similar projects performed for any local government clients within the last three years should be provided. Information provided shall include:

- a. Client name, address, telephone number, email address. If client is not a local government, please indicate the type of business.
- b. Type of service provided to client.
- c. Project description.
- d. Project dates (starting and ending).
- e. Technical environment (CAD, 3D visualization, etc.)
- f. Staff assigned to reference engagement that will be designated for work per this RFP.

## **PROPOSAL REVIEW AND AWARD PROCESS**

PROPOSAL REVIEW PROCESS, AWARD OF PROPOSAL. Award will be made to the Proposer offering the most advantageous proposal after consideration of all Evaluation Criteria set forth below. The criteria are not listed in any order of preferences. An Evaluation Committee will be established by the Conejo Recreation & Park District. The Committee will evaluate all proposals received in accordance with the Evaluation Criteria. The Conejo Recreation & Park District reserves the right to establish weight factors that will be applied to the criteria depending upon order of importance. Weight factors and evaluation scores will not be released until after award of proposal. The Conejo Recreation & Park District shall not be obligated to accept the lowest priced proposal, but will make an award in the best interests of the Conejo Recreation & Park District after all factors have been evaluated

### Phase 1 – Written Proposal Review/Finalist Candidates Selection

A group of finalist candidates (generally the top 3 to 5 proposers) may be selected for follow-up interviews and presentations.

### AWARD EVALUATION CRITERIA

Evaluation Criteria that will be used to evaluate all proposals that are received are listed below:

- a. Understanding of work required by Conejo Recreation & Park District.
- b. Proposed approach in completing the work.
- c. Quality, clarity and responsiveness of proposal.
- d. Qualifications and availability of key persons to be assigned to the contract resulting from this solicitation.
- e. Number of years of experience the Proposer has in this type of business and with accounts of this size.
- f. Demonstrated competence.
- g. Experience in performance of comparable work or delivery of comparable goods.
- h. Reasonableness of cost.
- i. Conformance with the terms of this RFP.

The evaluation committee may also contact and evaluate the Proposer's and subcontractor's references, contact any Proposer to clarify any response, contact any current users of a Proposer's services, solicit information from any available source concerning any aspect of a proposal, and seek and review any other information deemed pertinent to the evaluation process. The evaluation committee shall not be obligated to accept the lowest priced proposal but shall make an award in the best interests of the Conejo Recreation & Park District.

Discussions may, at the Conejo Recreation & Park District's sole option, be conducted with responsible Proposers who submit proposals determined to be reasonably susceptible of being selected for an award. Discussions may be for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Proposers shall be accorded fair and equal treatment with respect to any opportunity for discussion and written revision of proposals. Revisions may be permitted after submissions and before award for

obtaining best and final proposals. In conducting discussions, the District will not disclose information derived from proposals submitted by competing Proposers.

#### Oral Presentations/Interviews and Consultant Selection

Finalist candidates may be invited to make a presentation to the review committee and answer questions about their proposal. The purpose of this second phase is two-fold: to present the design concept and to clarify and resolve any outstanding questions or issues about the proposal. After evaluation of the proposals and discussing them further with the finalists or tentatively selected contractor, the District reserves the right to further negotiate the proposed workscope and/or method and amount of compensation.

Contract award will be based on a combination of factors that represent the best overall value for completing the workscope as determined by District, including: the written proposal criteria described above; results of background and reference checks; results from the interviews and presentation phase; and proposed compensation.

A Notification of Intent to Award may be sent to any Proposer selected. Award is contingent upon the successful negotiation of final contract terms. Negotiations shall be confidential and not subject to disclosure to competing Proposers unless an agreement is reached. If contract negotiations cannot be concluded successfully, the Conejo Recreation & Park District may negotiate a contract with the next highest scoring Proposer or withdraw the RFP.

## **INSTRUCTIONS TO PROPOSER**

**ACCEPTANCE PERIOD.** Unless otherwise specified herein, proposals are firm for a period of ninety (90) days.

**ADDENDA ACKNOWLEDGMENT.** Each proposal shall include specific acknowledgment of receipt of all addenda issued during the solicitation period. Failure to so acknowledge may result in the proposal being rejected as not responsive.

**AUTHORIZED SIGNATURES.** Every proposal must be signed by the person or persons legally authorized to bind the Proposer to a contract for the execution of the work. Upon request of the Conejo Recreation & Park District, any agent submitting a proposal on behalf of a Proposer shall provide a current power of attorney certifying the agent's authority to bind the Proposer. If an individual makes the proposal, his or her name, signature, and post office address must be shown. If a firm or partnership makes the proposal, the name and post office address of the firm or partnership and the signature of at least one of the general partners must be shown. If a corporation makes the proposal, the proposal shall show the name of the state under the laws of which the corporation is chartered, the name and post office address of the corporation and the title of the person signing on behalf of the corporation. Upon request of the Conejo Recreation & Park District, the corporation shall provide a certified copy of the bylaws or resolution of the board of directors showing the authority of the officer signing the proposal to execute contracts on behalf of the corporation.

**AWARD AND PROPOSAL RETENTION.** District reserves the right to retain all proposals for a period of 90 days for examination and comparison. District also reserves the right to waive non-substantial irregularities in any proposal, to reject any or all proposals, to reject or delete one part of a proposal and accept the other, except to the extent that proposals are qualified by specific limitations.

**CANCELLATION OF SOLICITATION.** The Conejo Recreation & Park District may cancel this solicitation at any time.

**COMPLIANCE WITH LAWS.** All proposals shall comply with current federal, state, and other laws relative thereto.

Proposer shall satisfy himself as to the character, quantity, and quality of work to be performed and materials, labor, supervision, equipment and appurtenances necessary to perform the work as specified by the Contract Documents. The failure or neglect of the Proposer to examine the Contract Documents shall in no way relieve him from any obligations with respect to the solicitation or contract. The submission of a proposal shall constitute an acknowledgment upon which the Conejo Recreation & Park District may rely that the Proposer has thoroughly examined and is familiar with the contract documents. The failure or neglect of a Proposer to receive or examine any of the contract documents shall in no way relieve him from any obligations with respect to the Proposal. No

claim will be allowed for additional compensation that is based upon a lack of knowledge of any solicitation document.

COPIES OF REPORTS AND INFORMATION. If the District requests additional copies of reports, drawings, specifications or any other material in addition to what contractor is required to furnish in limited quantities as part of the work or services under these specifications, contractor shall provide such additional copies as requested, and District shall compensate the Contractor for costs of duplicating of such copies at contractor's direct expense.

DEFINITION OF TERMS. For the purposes of this RFP, the following definitions will be used:

- a. **Contractor.** Same as Successful Proposer.
- b. **Evaluation Committee.** An independent committee established by the Conejo Recreation & park District to review, evaluate, and score the proposals, and to recommend award to the Proposer that submitted the proposal determined by the committee to be in the best interest of the District.
- c. **May.** Indicates something that is not mandatory but permissible.
- d. **Must/Should.** Indicates a mandatory requirement. A proposal that fails to meet a mandatory requirement will be deemed non-responsive and not be considered for award.

- i. **Submittal Deadline.** The date and time on or before all proposals must be submitted.
- j. **Successful Proposer.** The person, contractor, or firm to whom the award is made.

DISQUALIFICATION OF PROPOSER. If there is reason to believe that collusion exists among the Proposers, the District may refuse to consider proposals from participants in such collusion. No person, firm, or corporation under the same or different name, shall make, file, or be interested in more than one proposal for the same work unless alternate proposals are called for. A person, firm, or corporation who has submitted a sub-Proposal to a Proposer, or who has quoted prices on materials to a Proposer, is not thereby disqualified from submitting a sub-Proposal or quoting prices to other Proposers. Reasonable ground for believing that any Proposer is interested in more than one Proposal for the same work will cause the rejection of all Proposals for the work in which a Proposer is interested. If there is reason to believe that collusion exists among the Proposers, the Conejo Recreation & Park District may refuse to consider Proposals from participants in such collusion. Proposers shall submit as part of their Proposal documents the completed Non-Collusion Affidavit provided herein.

DOCUMENTS TO BE RETURNED WITH PROPOSAL. Failure to completely execute and submit the required documents before the Submittal Deadline may render a proposal non-responsive. The documents that must be returned by the Submittal Deadline are listed on the form entitled "Proposal Documents To Be Returned" and attached hereto.

EXECUTION OF CONTRACT. Time is of the essence of this contract. The Successful Proposer/Contractor shall execute the contract, including but not limited to, signing all necessary

documents and submitting all required bonds and evidences of insurance, within ten (10) days after personal delivery of the notice or within fifteen (15) days after such notice has been deposited in the United States mail. One copy of the contract will be returned to the Contractor after the Conejo Recreation & Park District executes the contract. In case of failure of the Contractor to execute and return the contract and all required documents within the time allowed, the Conejo Recreation & Park District may, at its option, consider that the Proposer has abandoned the contract, in which case the Proposal Security Bond shall be forfeited by the Proposer and become the property of the Conejo Recreation & Park District. After the contract has been executed, including the insurance documents, certificates, and bonds, a Notice to Proceed will be issued. Proposer agrees to commence work within ten (10) working days after the date of the Notice to Proceed, to proceed with the work and fully complete the project (within number of completion days allowed) from the date of the Notice to Proceed.

EXPERIENCE AND COMPETENCY. The Successful Proposer shall be skilled and regularly engaged in the general class or type of work called for under the contract. The Successful Proposer shall also have no less than **(eight) (8)** years' experience in the magnitude and character of the work proposal. Each Proposer shall set forth his experience on the form entitled Proposer's Experience and submit it with his proposal. It is the intention of the Conejo Recreation & Park District to award a contract to a Proposer who furnishes satisfactory evidence that he/she has the requisite experience, ability, sufficient capital, and facilities to enable him to prosecute the work successfully and properly, and to complete it within the time specified in the contract. To determine the degree of responsibility to be credited to the Proposer, the Conejo Recreation & Park District will weigh any evidence that the Proposer has performed satisfactorily other contracts of like nature, magnitude, and comparable difficulty and comparable rates of progress. In selecting the lowest responsive and responsible Proposer, consideration will be given not only to the financial standing but also to the general competency of the Proposer for the performance of the work specified in the contract documents.

FIRM PRICE PERIOD. Proposers' offer shall remain open and firm for a period of not less than ninety (90) calendar days from the Submittal Deadline.

FORMATION OF CONTRACT. Proposer's signed proposal and District's written acceptance shall be incorporated into a binding contract.

INDEPENDENT CONTRACTOR. Contractor covenants that it presently has no interest, and shall not acquire any interest, direct or indirect, financial or otherwise, which would conflict in any manner or degree with the performance of the services hereunder. Contractor further covenants that, in the performance of this contract, no subcontractor or person having such an interest shall be employed. Contractor certifies that to the best of his knowledge, no one who has or will have any financial interest under this contract is an officer or employee of Conejo Recreation & Park District. It is expressly agreed by Contractor that in the performance of the services required under this contract, Contractor, and any of its subcontractors or employees, shall at times be considered independent Contractors and not agents of Conejo Recreation & Park District.

INFORMED PROPOSER. Proposers are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals. Failure to do so will be at Proposers' own risk and they cannot secure relief on the plea of error.

INK OR TYPEWRITTEN. All information, prices, notations, signatures, and corrections must be in ink or typewritten. Mistakes may be crossed out and corrections typed or printed adjacent to the mistake and initialed in ink by the person signing the proposal.

INSURANCE REQUIREMENTS. The Contractor shall provide proof of insurance in the form, coverages, and amounts specified in the sample Professional Services Agreement of these specifications within 10 (ten) calendar days after notice of contract award as a precondition to contract execution.

INTERPRETATION OF CONTRACT DOCUMENTS. If any person is in doubt as to the true meaning of any part of the specifications or other contract documents, or finds discrepancies or omissions in the specifications, he may submit to the Conejo Recreation & Park District a written request for an interpretation or correction. Requests for interpretations shall be made in writing and delivered to the (enter project coordinator's name) Conejo Recreation & Park District by mail at 403 West Hillcrest Drive, CA 91360, or by facsimile to 805-497-3199 at least ten (10) days before the Submittal Deadline. The requesting party is responsible for prompt delivery of any requests. When the Conejo Recreation & Park District considers interpretations necessary, interpretations will be in the form of an addendum to the contract documents, and when issued, will be sent as promptly as is practical to all parties recorded by the Conejo Recreation & Park District as having received contract documents.

All such addenda shall become a part of the contract. Oral and other interpretations or clarifications shall be without legal or contractual effect. It is the responsibility of each Proposer to ensure the Conejo Recreation & Park District has their correct business name and address on file. Any prospective Proposer who obtained a set of contract documents from anyone other than the Conejo Recreation & Park District is responsible for advising the Conejo Recreation & Park District that they have a set of contract documents and wish to receive subsequent Addenda.

NOMENCLATURES. The terms Successful Proposer, Successful Contractor, and Contractor may be used interchangeably in these specifications and shall refer exclusively to the firm with whom the District enters into a contract because of this solicitation.

NON-COLLUSION AFFIDAVIT. Proposers are required to submit a Non-Collusion Affidavit with their Proposals. See attached Affidavit.

OFFERS OF MORE THAN ONE PRICE. Proposers are NOT allowed to submit more than one proposal. However, an individual or business entity which has submitted a sub-proposal to a PROPOSER submitting a proposal, or who has quoted prices on materials to such PROPOSER, is not thereby disqualified from submitting a subproposal or from quoting prices to other PROPOSERS submitting proposals.

OPENING OF PROPOSALS. All proposals, irrespective of irregularities or informalities, will be opened at the time stipulated in the RFP document, this is not a public opening. A tally of the names will be performed and may be released upon request. ***No other information will be released until after the award.***

- a. Postponement of Opening. The Conejo Recreation & Park District reserves the right to postpone the Submittal Deadline and Opening of Proposals any time before the date and time announced in the Request For Proposals or subsequent addenda.

OWNERSHIP OF MATERIALS. All original drawings, plan documents and other materials prepared by or in possession of the Contractor as part of the work or services under these specifications shall become permanent property of District and shall be delivered to District upon demand.

PAYMENT TERMS. District's payment terms are 30 days from receipt of an original invoice and acceptance by District of the materials, supplies, equipment, or services provided by the contractor (Net 30).

PRICE DISCREPANCIES. In the event that there are unit price items in a proposal schedule and the "amount" indicated for a unit price of an item does not equal the product of the unit price and quantity listed, the unit price shall govern, and the amount will be corrected accordingly. If there is more than one item in a proposal schedule, and the total indicated for the schedule does not agree with the sum of prices of the individual items, the prices given for the individual items shall govern and the total for the schedule will be corrected accordingly. The Proposer will be bound by said corrections.

PRICES. All Proposals shall give the prices proposed, both in writing and in figures, shall give all other information requested herein, and shall be signed by the Proposer's authorized representative.

Proposal prices shall include everything necessary for the completion of and fulfillment of the contract including but not limited to furnishing all materials, equipment, tools, facilities and all management, superintendence, labor, services, taxes, licenses and permits required to complete the work in accordance with the contract documents, except as may be provided otherwise in the contract documents. The work and the proposal price shall also include providing the necessary safety precautions such as barricades, warning signs for protection of the public and any necessary "cleanup" that is required to restore the work site to a satisfactory condition. Any items shown on the plans or details or described in the specifications that are not specifically listed in the proposal item are to be considered included in the proposal item and no additional or special compensation will be allowed. In the event that there is more than one proposal item in the proposal schedule, the Proposer shall furnish a price for all proposal items in the schedule, and failure to do so will render the proposal as non-responsive and may cause its rejection. The total amount of the proposal will be the sum of the total prices of all items in the proposal schedule. The total price of unit price items will be the product of the unit price and estimated quantity of the item. In case of discrepancy between the unit price and total price of an item, the unit price shall prevail if the unit price is ambiguous, unintelligible, or uncertain for any cause, or is omitted, it shall be the amount obtained by dividing the amount set forth as the total price by the estimated quantity of the item.

## **14. ACCEPTANCE OF FINAL PAYMENT CONSTITUTES RELEASE**

The acceptance by Consultant of the final payment made under this Agreement shall operate as and be a release of the District from all claims and liabilities for compensation to Consultant for anything done, furnished, or relating to Consultant's work or services. Acceptance of payment shall be any negotiation of District's check or the failure to make a written extra compensation claim within 10 calendar days of the receipt of that check. However, approval or payment by the District shall not constitute, nor be deemed, a release of the responsibility and liability of Consultant, its employees, subcontractors, agents and consultants for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by the District for any defect or error in the work prepared by Consultant, its employees, subcontractors, agents and consultants.

## **15. AUDIT OF RECORDS**

At any time during normal business hours and as often as it may deem necessary, the Consultant shall make available to a representative of the District for examination of all its records with respect to all matters covered by this Agreement and will permit District to audit, examine and/or reproduce such records. Consultant will retain such financial records, time sheets, work progress reports, invoices, bills and project records for at least two years after termination or final payment under this Agreement.

## **16. WAIVER; REMEDIES CUMULATIVE**

Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, irrespective of the length of time for which such failure continues, shall not constitute a waiver of such party's right to demand strict compliance by such other party in the future. No waiver by a party of a default or breach of the other party shall be effective or binding upon such party unless made in writing by such party,

and no such waiver shall be implied from any omissions by a party to take any action with respect to such default or breach. No express written waiver of a specified default or breach shall affect any other default or breach, or cover any other period of time, other than any default or breach and/or period of time specified. All of the remedies permitted or available to a party under this Agreement, or at law or in equity, shall be cumulative and alternative, and invocation of any such right or remedy shall not constitute a waiver or election of remedies with respect to any other permitted or available right of remedy.

#### **17. CONFLICT OF INTEREST**

Consultant is unaware of any District employee or official that has a financial interest in Consultant's business. During the term of this Agreement and/or as a result of being awarded this contract, the Consultant shall not offer, encourage or accept any financial interest in Consultant's business by any District employee or official.

If a portion of Consultant's services called for under this Agreement shall ultimately be paid for by reimbursement from and through an agreement with a developer of any land within the District or with a District franchisee, the Consultant warrants that it has not performed any work for such developer/franchisee within the last 12 months, and shall not negotiate, offer or accept any contract or request to perform services for that identified developer/franchisee during the term of this Agreement.

#### **18. CONSTRUCTION OF LANGUAGE OF AGREEMENT**

The provisions of this Agreement shall be construed as a whole according to its common meaning of purpose of providing a public benefit and not strictly for or against any party. It shall be construed consistent with the provisions hereof, in order to achieve the objectives and purposes of the parties. Wherever required by the context, the singular shall include the plural and vice versa, and the masculine gender shall include the feminine or neutral genders or vice versa.

**22. CAPTIONS**

The captions or headings in this Agreement are for convenience only and in no other way define, limit or describe the scope or intent of any provision or section of the Agreement.

**23. AUTHORIZATION**

Each party has expressly authorized the execution of this Agreement on its behalf and bind said party and its respective administrators, officers, directors, shareholders, divisions, subsidiaries, agents, employees, successors, assigns, principals, partners, joint ventures, insurance carriers and any others who may claim through it to this Agreement.

**24. ENTIRE AGREEMENT BETWEEN PARTIES**

Except for Consultant's proposals and submitted representations for obtaining this Agreement, this Agreement supersedes any other agreements, either oral or in writing, between the parties hereto with respect to the rendering of services and contains all of the covenants and agreements between the parties with respect to said services. Any modifications of this Agreement will be effective only if it is in writing and signed by the party to be charged.
