

## **2020-2021 Conejo Recreation and Park District Capital Improvement Fund Grant**

Thank you for your interest in working with Conejo Recreation and Park District to improve and enhance our parks and facilities. The Conejo Recreation and Park District Capital Improvement Fund Grant is a tool for community groups to turn their project concepts into a reality. Each year money will be set aside to fund this program so that groups may contribute projects that will enhance our parks and facilities and benefit the community and its members. Non-profit groups may apply for fund dollars to initiate, plan, organize, and implement a project in partnership with CRPD.

These applications are for requests that will address easily identifiable park and recreational needs such as adding park furnishings, addressing maintenance issues, and purchasing or enhancing recreational equipment. Projects must be completed in 12 months or less.

There are two categories for requests:

### NON MATCHING

The request for funds may be up to a maximum of \$5,000 for each project.

### MATCHING

The request for matching funds must be a minimum of \$5,000 and no more than the maximum of \$25,000 for each project.

The raising of necessary funds will be the responsibility of the individual or organization proposing the project. Conejo Recreation and Park District cannot assist with the funding and will match the funds of the project proposal when approved.

### **Process:**

1. **Fill out appropriate application.**
2. **Turn in application by deadline.** **MAY 1, 2020.**
3. **Review Process:** CRPD will review the proposal and application which is based on the following criteria:

  - d) Permits required for land use and/or building

  - f) Project implementation

- g) Community need - the project is appropriate and is representative of the demographic make-up of the community. If applicable, project community match is documented with supporting signatures that demonstrate widespread participation and support for the project.
  - h) Applications will be reviewed and decisions will be made prior to July 1, 2020.
4. **Selection of Projects:** CRPD will select the projects that best qualify for the Capital Improvements Fund Grant. Projects that are approved will receive a full or partial grant.

5. **Benefit to the District:** To be eligible for funding, organizations must demonstrate that any monies received will be used solely for the improvements which benefit the District and its patrons.
