

Face Coverings / Mask Policy

CRPD's current policies regarding facemasks are taken from the Ventura County Public Health website (www.vcrecovers.org), the California Department of Public Health's current [Guidance for the Use of Face Coverings](#), and the ["Face Coverings Q&A"](#) page of the www.cdph.ca.gov website.

Youth & Adult Classes, Camps, and Programs

- Effective March 1, 2022, face coverings are not required, but strongly recommended for most public indoor settings, regardless of vaccination status. Face coverings are still required for participants and employees in childcare facilities until March 11, 2022.
- After March 11, 2022, face coverings will not be required but strongly recommended in schools and childcare facilities, regardless of vaccination status.
- Face coverings will still be required for everyone in high transmission settings like public transit and emergency shelters, regardless of vaccinations status.

Let's all work together to help our community stay safe and healthy!
