Susan L. Holt, Director
Chuck Huffer, Director
Nellie Cusworth, Director

GENERAL MANAGER EMERITUS
Tex Ward

Attention Field/Facility User:

On July 13, 2020, the County of Ventura Public Health Department released additional restrictions to updated state orders by Governor Newsom and the California Department of Public Health.

Effective immediately, all organized and/or recreational team sports activities are prohibited until further notice.

- This applies to all organized sports teams, including those associated with public and private schools and colleges, and adult and youth sports organizations.
- This prohibition applies to members of a team gathering together for games, practices, physical conditioning, drills and any other group activity that involves two or more persons gathering at the same place and time for an organized activity.
- The California Department of Public Health (“CDPH”) guidance on day camps (“Guidance”), which has been approved for implementation by the County Health Officer, permits recreational activities that involve day campers sharing toys and equipment provided the campers comply with social distancing requirements. Neither the Guidance on day camps, nor any other guidance issued by the CDPH, shall be construed to permit organized team sports activities contrary to the intent of this order.

These Ventura County Public Health Department Orders have the force of law and are in effect on Conejo Recreation and Park District properties. Therefore, when on park property, you must NOT ORGANIZE NOR PARTICIPATE IN GAMES, PRACTICES, CONDITIONING, DRILLS nor any other organized group athletic activity with 2 or more persons outside the same household. Please cease organized and/or recreational team sports activities until the Public Health Order is modified or rescinded. PLEASE TAKE NOTICE that field, sport court and facility use by your team or organization is unpermitted and unlawful and may be subject to citation.

We appreciate your attention to this matter and ask for your cooperation to help contain the spread of COVID-19.

If you have any questions or would like to inquire about the field permit process, please contact Dana Miller, Sports Supervisor, at the any of the contact information listed below.

Sincerely,

Dana Miller, Recreation Supervisor
