In accordance with California and Ventura County Health & Safety Guidelines, the following procedures will be observed:

1. Staff will conduct health checks with all participants, which may include symptom questions, visual inspections for signs of illness, and temperature screening using a no-contact infrared thermometer.
2. Frequent handwashing with soap/water or hand sanitizer with at least 60% alcohol.
3. Check-in and check-out procedures with limited contact and physical distancing.
4. Face coverings required for all programs, to be worn indoors and any time six feet of physical distance cannot be maintained. Face coverings should be kept in participants' possession even when not being worn.
5. Floor markers or other visual cues will be used to assist in physical distancing.
6. Facilities, equipment, and program materials will be sanitized multiple times daily.

As I sit at my desk thinking about what positive things to write about for the Fall session, I am left with mixed emotions and thoughts about what is going on in our community. First, I would like to say "Thank You!" to all the families and participants of CRPD programs. These last few months have been trying for us all and everyone has been so patient, kind, and supportive. As you know, our biggest focus is the safety of our community and staff. We are glad we have been able to offer some programs to meet the needs of our community while adhering to state and county guidelines. The youth who have participated in our Summer programs have learned and put into practice rules regarding face coverings, washing hands, and using airplane arms to keep distance between them and their friends, all while having fun. What I have truly enjoyed is watching them be kids – embracing the change – and being so happy to be outside and with their friends. As we prepare to move into our Fall session, I ask that you continue to encourage these behaviors and remember that every little thing we do can have a big impact on the community.

Our staff continue to work hard providing a safe, enriching environment for those participating in upcoming programs, visiting our parks, and the future opening of our community centers. We know the future will look different but be assured we are still putting our community first and doing our best to meet the needs of this ever-changing environment.

I am also very proud of our staff and appreciate the hard work, extra time, and creativity they've used to keep CRPD relevant in these challenging times. If we all strive to remain patient, adaptable, and compassionate, we will persevere.

AMERICAN DISABILITY ACT (ADA) COMPLIANCE: MISSION STATEMENT

Conejo Recreation and Park District (CRPD) strives to enrich quality of life through the provision of quality recreation programs. We welcome people with disabilities in all recreation opportunities provided by CRPD, both through specialized options (Therapeutic Recreation) and inclusion alternatives.

Please contact Devon Herbert at 805-495-6471 or Inclusion@crpd.org for further information on program choices, for help with making a selection, or to request a program modification. In order to evaluate and seek to reasonably accommodate your individual needs, we ask that you let us know of any requested modifications at the time of your registration.

ADA GRIEVANCE PROCEDURE

CRPD has developed an internal grievance procedure for prompt and equitable resolution of complaints alleging any action prohibited by the United States Department of Justice regulations implementing Title II of the Americans with Disabilities Act (ADA).

Complaints should be addressed in writing to ADA Compliance Officer, Conejo Recreation and Park District, 403 W. Hillcrest Drive, Thousand Oaks, CA 91360 or by email at ADAcompliance@crpd.org

- A complaint should contain the name and address of the person filing it, and briefly describe the alleged violation of the regulations.
- Complaint should be filed within 30 days of the alleged violation.
- CRPD will conduct an investigation and notify the complainant of its findings within 30 days from receiving the written complaint.

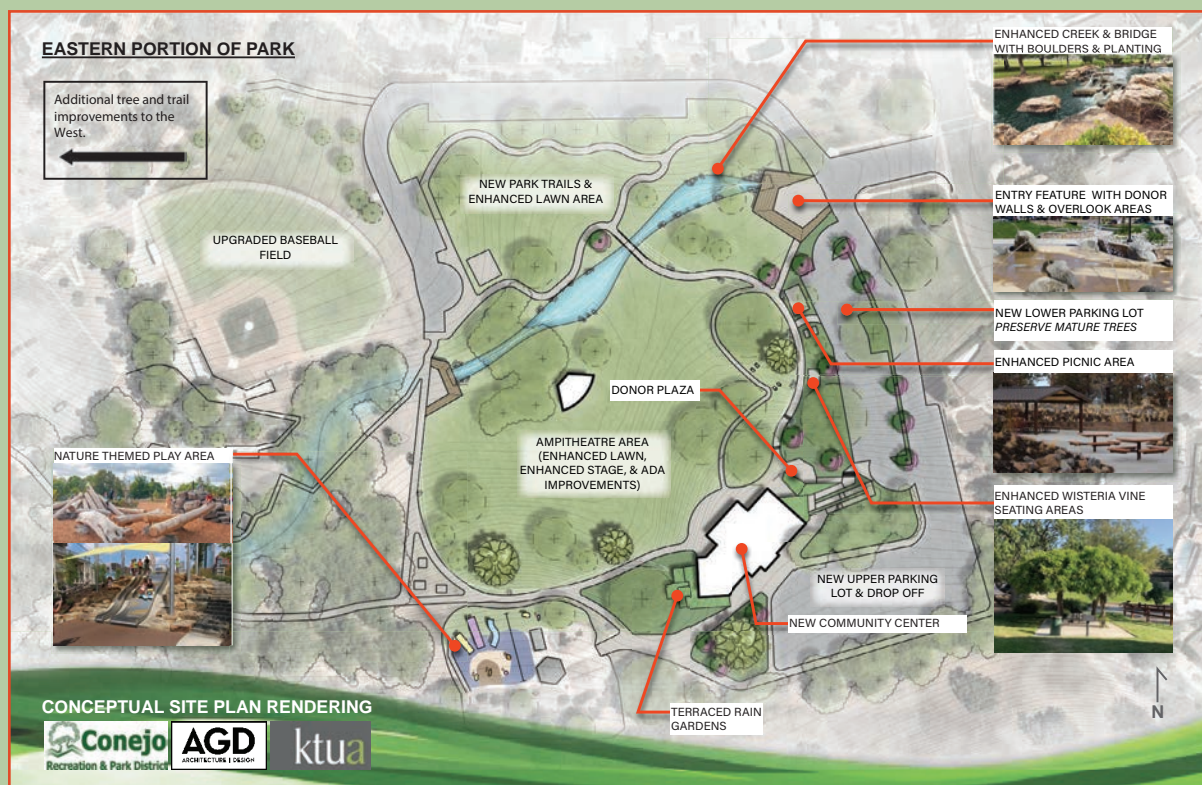

Use of this grievance procedure is not a prerequisite to the pursuit of other remedies. CRPD strives to have all participants enjoy their experience in our programs and works to handle all concerns in a timely and fair manner.

Conejo Community Center & Park Assessment Project

The Conejo Community Center, located at 1175 Hendrix Avenue, was built by volunteers in 1965, and, as it has aged, additional maintenance costs are incurred due to deterioration and inefficiencies. In addition, the needs and desires of the community have changed significantly over the past half-century.

CRPD's vision is to enhance this unique facility for the benefit of the community while retaining the "spirit" of Conejo Community Center and Park. After several months of public input, CRPD staff developed principals that will guide the future planning efforts.

On June 18, 2020, the CRPD Board of Directors approved a contract with Andrew Goodwin Designs for environmental, landscape architectural, and architectural design services for Conejo Community Center and Park improvements.

A Sense of Place is the most significantly cherished component of the current property. The Center and Park complex is an extension of the residents' homes and an integral part of the neighborhood.

The Topography and Natural Features will be preserved and remain intact, while further highlighting the natural value provided to the site. The development will be minimized to alter existing conditions, though major built features will complement the property to balance the developed site and natural terrain.

The Renovated Center Building will be expanded while keeping its character and scale that complements the neighborhood. The building will be brought up to today's construction standards and will be given improvements.

Programming abilities will be expanded with the additional interior and exterior spaces for current and future opportunities. Enhancements will be made for year-round programs and events.

We value your input! Email Andrew Mooney at amooney@crpd.org to provide your feedback and join our mailing list. You may also visit our website at www.crp.org/ccproject for announcements, updates, and FAQs.
