SWIM CLASS REMINDERS

PARENT CHILD

All Parent/Child classes require a parent or guardian in the water. Instructors will instruct the class and parents or guardians will provide hands-on assistance to the student when needed.

HEALTH SCREENING

Anyone entering the facility will be subject to a temperature check. We encourage parents and guardians to wait outside of the facility to limit the amount of people inside of the facility.

PHYSICAL DISTANCE

Due to County guidelines, our instructors will keep a 6' distance between them and the participant. Physical contact will only be allowed if participant needs immediate assistance.
