

## Face Coverings / Mask Policy

CRPD's current policies regarding facemasks are taken from the Ventura County Public Health website ([www.vcrecovers.org](http://www.vcrecovers.org)), the California Department of Public Health's current [Guidance for the Use of Face Coverings](#), and the ["Face Coverings Q&A"](#) page of the [www.cdph.ca.gov](http://www.cdph.ca.gov) website.

### Youth & Adult Classes, Camps, and Programs

#### *Indoor Programs*

- Masks are required in all public indoor spaces regardless of vaccination status. Face coverings must be worn over the mouth and nose in all indoor public setting, venues, gatherings, and workplaces, including but not limited to offices, retail stores, restaurants and bars, theaters, family entertainment centers, conference and event centers, and government offices serving the public.

#### *Outdoor Programs*

- Individuals are not required to wear a mask outdoors, even if they cannot maintain physical distancing. However, per CDC recommendations, in areas of substantial to high transmission, people who are not fully vaccinated are encouraged to wear a mask in crowded outdoor settings or during activities that involve sustained close contact with people who are not fully vaccinated.
