AGREEMENT

Section 1: Duties

District agrees to continue the employment of Jim Friedl as the General Manager of the Conejo Recreation and Park District ("General Manager") to: (a) Perform the duties and to administer the functions specified in the Recreation and Park District Law (Cal. Public Resources Code sec. 5780 *et seq.*) and all ordinances and regulations of the District; (b) Perform the duties and functions specified in the attached job classification (**Attachment 1**); (c) Administer and enforce the policies as may be adopted by the Board; and, (d) Perform such other legally permissible duties and functions as the Board may assign from time to time. The General Manager agrees that, to the best of his ability and experience, he will at all times under the term of this Agreement, loyally remain in the employ of the District and perform all of his assigned duties and obligations set forth in, and that are implicit under, the Agreement.

Section 2: "At-Will" Employee Status

The General Manager serves as an "at will" employee (as defined in the California Labor Code Section 2922), serving at the pleasure of the Board, and nothing in this Agreement shall require cause for removal, or prevent, limit, or otherwise interfere with the

right of the Board to terminate the services of the General Manager at any time, subject only to the provisions set forth in Sections 3(A), (B) and (C) of this Agreement. In addition, nothing in this Agreement shall prevent, limit, or otherwise interfere with the right of the General Manager to resign at any time from his position with District, subject only to the provision set forth in Section 3 of this Agreement. as the General Manager serves at the will of the Board, there is no term to this Agreement, and it shall remain in force and effect until terminated as provided in Section 3 below.

Section 3: Termination and Severance Pay

A. Right to Terminate Employment. The Board may terminate the services of the General Manager at any time with a written notice to the General Manager setting forth the date of termination in that notice.

B. For Cause. In the event the General Manager is terminated for any of the following causes, the District shall have no obligation to pay Severance Pay to the General Manager as provided in subsection (C) below:

- a. Insubordination, dishonesty, misappropriation of public funds, or falsifying District Records;
- b. Repeated and continued unexcused absences from the District's office resulting in a failure to perform his normal duties;
- c. Conviction of any misdemeanor concerning an act amounting to improper conduct as a General Manager or involving moral turpitude;
- d. Habitual intoxication while on duty, or the continue abuse and use of drugs and/or alcohol; or
- e. Conviction of, or plea of guilty to, or plea nolo contendere, to a felony.

C. Without Cause. In the event the General Manager is terminated by the Board or requested to resign due to a reason not related to any cause in subsection 3(B) above, during such time that the General Manager is willing and able to perform the duties under this Agreement, the District agrees to provide the General Manager with either subsection (a) or (b) below, such selection made at Board's discretion:

- a. Two hundred seventy days (270) days' advanced written notice of said termination; or,
- b. "Severance Pay" in the amount of a cash payment equal to nine (9) months' of the General Manager's then aggregate annual salary pursuant to Government Code Sections 53260 – 53264 and the amount equal to his unused aggregate and accumulated vacation hours at the General

Manager's then prevailing hourly salary rate. Said Severance Pay may be paid, at the option of General Manager, in:

1. A lump sum upon date of termination;
2. A lump sum on January 1 of the year following termination;
3. Continued payments under the District's normal payroll cycle over a nine (9) month period; or,
4. Any combination of the above three options as directed by the General Manager.

If terminated without cause, the General Manager may agree to submit a resignation or process his retirement in lieu of an announcement of a formal termination by the Board. In the event of any type of termination, resignation or retirement, the General Manager shall not be paid for any unused sick leave, but such unused sick leave shall be applied to his PERS service credits to the extent permitted under the PERS rules and regulations. Eligibility for the above severance payment is expressly conditioned upon the General Manager's execution of (i) a waiver and release of any and all of General Manager's claims against the District, and (ii) a covenant not to sue. All normal payroll taxes and withholdings as required by law shall be made with respect to any amounts paid under this Section.

D. De Facto Termination Without Cause. In the event the District, at any time during this Agreement, reduces the salary or other benefits of General Manager in a greater percentage than applicable to an across-the-board reduction for District administrative employees and the Board refuses to cure that action following a fifteen (15) day written Notice to Cure from the General Manager, the Board's non-action (i.e., failure to re-instate any salary or benefit reduction) may then be deemed by the General Manager, at his option, a "termination" of the General Manager of the 16th day following the date of delivery of the written Notice to Cure and triggers the General Manager's right to receive the Severance Pay set forth at Section 3(C)(b) above.

E. Voluntary Resignation. The General Manager may voluntarily resign his position with the District at any time and in that event, the General Manager shall provide District at least ninety (90) days' written notice in advance, unless the parties otherwise agree to a different time period, and such a resignation shall not be deemed a termination triggering any rights to Severance Pay described in Section 3(C)(b) above.

F. Inability to Perform. In the event the General Manager becomes mentally or physically incapable of performing the General Manager's functions and duties with reasonable accommodations, and it appears to the Board such incapacity will continue for more than six (6) months, the Board may terminate the General Manager and such

termination shall trigger the General Manager's right to Severance Pay set forth in Section 3(C)(b) above.

G. Full Compensation for Termination. The District and General Manager agree that the 270 day advanced written notice or payment of the Severance Pay set forth in Section (3)(C) above is intended to fully compensate the General Manager for any and all losses, harm and damages, such as but not limited to, the loss of the opportunity of transition into other employment, the loss of securing any alternative employment opportunity, the loss of income, the loss of opportunities for retraining or further education, the loss or erosion of personal investments and savings, the loss or reduction of retirement benefits, the loss of a residence, the loss of medical insurance and other insurance and any resulting emotional distress to the General Manager or to the General Manger's family.

Section 4: Salary; Annual Review

District shall pay General Manager for all of his services rendered pursuant hereto an annual salary of \$258,882 effective with the pay period beginning December 16, 2023, with such salary or benefit adjustments hereafter as the Board in open session shall authorize. Salary shall be payable in the normal payroll installments at the same time as other employees of the District are paid. The Board shall review the General Manager's salary and benefits annually as part of his performance evaluation under Section 5 below Increase(s) provided to other employees and the benefits of the General Manager's longevity as the General Manager of the District shall be taken into consideration by the Board during this salary review. The Board shall then provide an increase(s), if any, to such an extent and effective at such time as the Board, in its full discretion, determines is desirable. The Bord shall review General Manager's Salary Range when it performs a review of salary ranges for other District employee positions.

Section 5: Annual Performance Evaluation

The Board shall annually review and evaluate the performance of the General Manager. Said review and evaluation should be in accordance with performance goals or criteria provided earlier by the Board and that Board performance consensus is to be made only after a presentation by and consultation with the General Manager in closed session. Further, the Board will provide General Manager with a summary of its confidential performance findings in closed session. The Board will provide the General Manager with the Board's General Manager performance goals and criteria for the next 12-month period. The next performance evaluation with the Board under this Agreement shall be conducted in December 2024 and annually thereafter. Nothing in this provision shall be construed to require the Board to grant the General Manager a pay increase based on performance, nor to limit in any manner the discretion of the Board to grant or not pay increases.

Section 6: Hours of Work

The General Manager has no set hours of work and is an exempt employee. The General Manager is expected to engage in the hours of work as are necessary to fulfill the obligations of the General Manager position. It is recognized that the General Manager must devote time outside normal office hours to the business of the District, and to that end, the General Manager may take leave as he deems appropriate during normal office hours. The District supports and encourages work-life balance – especially participation in activities consistent with the recreation and parks movement. To that end, the General Manager may volunteer in sports, cultural, therapeutics, naturalist, outdoor and community service organizations.
